**Note:**

- ✓ Admission schedule for the Bioinformatics, Nutraceutical and Bioanalytical Sciences will be declared after the CET result separately.
- ✓ Students offering Physics, Chemistry, Botany, Zoology and Microbiology are required to take note that there will be separate Merit List for Aided and Unaided section of these courses. Thus, students wanting to take admission to these courses are required to fill the admission form separately for Aided and Unaided section.
- ✓ It is MANDATORY to fill Semester V and Semester VI (Total Marks as well as CGPA) of main subject only. (Do not add Applied Component marks).
- ✓ In case the Semester VI result is not declared then the student is required to fill only Semester V total marks as well as CGPA of main subject only. (Do not add Applied Component marks).
- ✓ Merit list will be prepared based on Semester-V marks only.
- ✓ The admission shall be provisional one, which shall be confirmed subject to the students fulfilling all eligibility criteria including clearance of Sem-VI exam with requisite percentage / grade, as may be applicable.
- ✓ Students are required to fill the CGPA of Previous semesters i.e. Semester I, II, III & IV in the admission form.
- ✓ Admissions would be granted based on merit and/or departmental CET performance, wherever applicable, and abiding the set norms of University of Mumbai.
- ✓ Admission to all the aforesaid courses is subject to the students full filling the eligibility criteria for admission.

Date: 03.6.2023
